

NEUPC Framework

We are delighted to announce that European Electronique have been awarded a place on the North Eastern Universities Purchasing Consortium (NEUPC) Framework for Lots 1, 2 and 3. The networking Framework allows European Electronique to continue to provide the latest, best value networking solutions to Higher Education within the UK. Renewing our position on this Framework complements our achievements of being awarded places on a number of Public Sector frameworks and further strengthens our position in the market.

The NEUPC Framework has only been awarded to ten IT Suppliers for Lots 1 & 2 and only nine for Lot 3.

The breakdown of the three lots is as follows:

- Lot 1 - Networking equipment
- Lot 2 - Small & medium projects up to £1m in value
- Lot 3 - Large projects in excess of £1m in value

The Framework is to initially run for two years starting 1st October 2018 and ending on 30th September 2020.

For further information on this or any of the Public Sector Frameworks that European Electronique are on, please do not hesitate to contact our Frameworks team on 01865 883300 or email Frameworks@euroele.com
